

Systems Administrator

About Us:

We are Velan Studios, creators of *Mario Kart Live: Home Circuit* and *Knockout City*, and an independent game developer focused on creating ground-breaking innovative game experiences across existing and emerging platforms. At Velan, we believe in maintaining a collaborative, diverse, and creative team environment and we're looking for new team members who have a desire to help grow our studio.

About the Role:

One of the guiding principles of our studio is that we strive to be *unconventionally world class*, and our approach to IT is no different. We are looking for IT veteran with 5+ years of experience to support the operation of our IT department. You will be on the front line of developer IT support, finding solutions to minimize downtime and optimize the development team's effectiveness. You will work closely with developers to ensure that no IT issue stands in the way of realizing their ultimate creative vision.

Responsibilities

- Quickly diagnose IT issues and identify solutions for developers.
- Document solutions to novel IT issues.
- Build PCs, install hardware, and track inventory
- Support the deployment, monitoring, and maintenance of IT systems.
- Be responsive, articulate, and keep stakeholders informed.

Requirements & Qualifications

- Bachelor's degree in Computer Science, IT, or equivalent experience.
- 5+ years of experience in an information technology role.
- Mastery of a range of operating systems. Minimally Windows, Linux, and OSX.
- Functional experience with managed network hardware.
- Experience building PCs. Recent experience preferred.

Extra Credit

- Experience with Active Directory or similar directory services.
- Experience with Cisco networking systems, certification is a plus.
- Extensive experience with open-source server software.
- Programming or scripting experience. Ideally C, Python, Perl, and/or Bash.
- Experience with Microsoft Office 365 services.
- Experience with virtualization, ideally Citrix.
- Experience with VCS, Perforce is a plus.

To apply for this position, send your resume to jobs@velanstudios.com. Be sure to reference the position you're applying for in the subject line.
